

Thoughtfully Designed

- A 21.44-acre masterplanned community featuring a mix of low- and mid-rise condos, townhomes and rental units.
- Estimated 10-year phased build-out with approximately 1,250 homes planned for about 2,500 residents.
- 8 acres dedicated to park, trails, wetlands, greenways, and gathering spaces.
- Trees are preserved wherever possible, and harvested trees are repurposed for use throughout the property as well as by the Musqueam community.
- Designed to meet LEED Gold Standards and lower utility costs.
- 4 storeys of 24 modern 2- and 3-bedroom homes
- Accessible units available
- Pet friendly (with restrictions)
- Envisioned by Musqueam Capital Corporation and professionally managed by Dorset Realty.

Functional Interiors

- Efficient layouts to maximize your comfort
- Contemporary finishes with natural colour schemes
- Over-height ceilings optimizing light and openness
- Expansive windows providing lots of natural light
- Energy-efficient Samsung and Whirlpool appliances
- Air-conditioning and heating for year-round comfort
- In-suite laundry with front-loading stacked washer and dryer
- Durable vinyl plank flooring throughout the main living area, bedrooms and closets.
- Private terrace or balcony for every home with sweeping views of the surrounding park, North Shore mountains, Jericho neighbourhood and beyond.

Modern Kitchens

- Polished stone countertops
- Full appliance package: refrigerator, dishwasher, electric range, and built-in microwave.
